

# “I would like to up my password and/or challenge and response Qs” ENITS Self-Service Management Instructions

---

This document provides step-by-step instructions to approved ENITS users to complete the following:

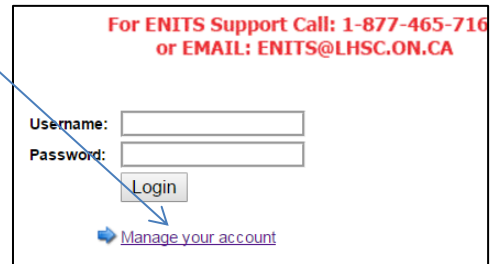

## Update and modify their challenge and response questions and existing password

---

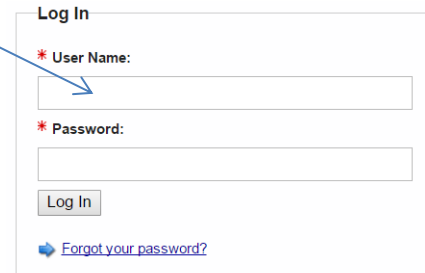

End users will not be able to use these self-serve features based on the following conditions:

- The end user has locked themselves out of ENITS based on the following:
    - An end user has exceeded 6 (six) password attempts
    - An end user has exceeded 3 (three) challenge and response attempts
  - **End-users must contact the Service desk for assistance.**
- 

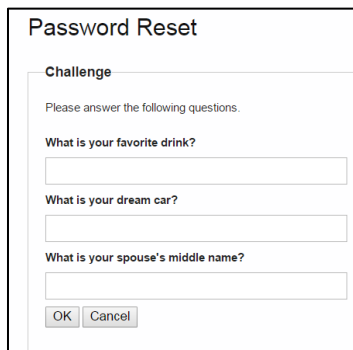

**Step 1:** From the main logon page- select “Manage your Account”

**Step 2:** On the next page, end-user enters their username and current password.

**Step 3:** End user must successfully answer 3 randomly selected challenge and response questions
